## The University of New Haven Orange Campus. *A campus like no other.*

The former home of a major corporate headquarters, the University of New Haven Orange Campus opened in 2013. This newly-designed location boasts 70,000 square feet of functionality and comfort with beautifully renovated classrooms, small group workspaces, executive meeting rooms, and catering and cafeteria facilities. Conveniently located minutes from the Merritt Parkway, the 47-acre campus embraces the tranquility of the rural setting and a short drive to most major cities in Connecticut. Whether you need a long- or short-term **training space, meeting room**, or place to host a **conference** or **retreat**, our facility can accommodate small groups of up to 50 people, and provides a variety of options designed to foster a dynamic collaborative experience for you and your organization.

### Catering

Your group can work up a serious appetite. Sodexo, our exclusive dining service provider on campus, will tempt their palates with fresh, chef-inspired and prepared selections that can be customized for your group. What's on the menu? Everything from continental breakfasts to themed breaks to private catered meals, BBQs, and gourmet "boxed meals to go."

### Other Amenities

- Ample (free) parking
- Built-in AV equipment and complimentary Wi-Fi
- Audio Visual and Technical support
- Custom Signage
- Partner hotel within 15 minutes, with shuttle service available

*Please allow us the opportunity to create a customized proposal for your next meeting or conference. We look forward to speaking with you!*
